RE: 2nd Addendum to New Requirement for CMS 1500/UB04 Claim Forms

Please note that the new requirements noted for submission of CMS 1500/UB04 Claim forms on the September 16, 2019 Notice and subsequently on the September 18, 2019 Addendum have been postponed until further notice for Early Intervention (EI) services performed by EI Credentialed/Enrolled Providers.

The Bureau of EI is currently working with Illinois Department of Healthcare and Family Services (HFS) in an effort to resolve several items and obtain clarification regarding the implementation of these requirements. Once we have received clarification from HFS, an additional notice will be posted for our EI Providers.

Please contact Heather Hofferkamp, with the Bureau of Early Intervention, with any questions or concerns at 217/782-1981.

Thank you for your continued patience and cooperation.
